More than a graduate degree.

The Master's with magis.

SJU Saint Joseph's University

Graduate Studies
College of Arts and Sciences

What's magis? Challenging yourself, leading by example, and going above and beyond, for yourself and for others. Graduate programs at Saint Joseph's are your opportunity to take your career to the next level – and live greater.

There are dozens of master's and certificate programs to choose from, including education, criminal justice, health services and organization development and leadership. And flexible schedule options to help make working on your graduate program work with your life.

Learn more about SJU's Graduate Studies at **sju.edu/grad**.
