

2022-2023 Verification Form

Your FAFSA (Free Application for Federal Student Aid) was randomly selected by Federal Student Aid Programs for a process known as "verification." As a result, we are required, by federal guidelines, to confirm certain data elements you and your parent(s)/spouse listed on the FAFSA before we can process and disburse any federal financial aid on your behalf. To verify that you provided correct information on the FAFSA, the Financial Aid Office will compare your FAFSA answers with the information on this worksheet and other required documents. If there are differences, your FAFSA may need to be corrected at www.fafsa.gov. You and at least one parent/spouse must complete and sign this worksheet, attach any required documents, and submit the form to the Financial Aid Office at sju.edu/help (click **Financial Aid, Verification Submission** and **Submit a Ticket**). Please email finaid@sju.edu or call 610-660-2500 with questions.

Household information:

It is strongly recommended that you utilize the IRS Data Retrieval option on your 2022-23 FAFSA. If the student and/or parent(s)/spouse have not already used the tool, go to fafsa.gov, log in as a "Returning User" and navigate to the Financial section of the form. From there, follow the instructions to determine if the student and/or parent(s)/spouse are eligible to use the IRS Data Retrieval Tool to transfer IRS income tax information into the student's FAFSA. It takes up to two weeks for IRS income information to be available for the IRS Data Retrieval Tool for electronic IRS tax return filers, and up to eight weeks for paper IRS tax return filers.

Yes, I filed a 2020 U.S. Income Tax Return but did not use the IRS Data Retrieval Tool on the FAFSA and therefore am attaching a signed 2020 Federal Tax Return Transcript. **Tax Transcripts must be requested directly from the IRS** via the IRS *Get Transcript* site, www.irs.gov/transcript or by calling 1-800-908-9946. If you experience severe difficulty in obtaining the 2020 tax transcript, you may submit a signed photocopy of your 2020 federal tax return, **including Schedules 1, 2 and 3**, but we do reserve the right to still request a tax transcript if needed.

No, I did not file a 2020 U.S. Income Tax Return and I am not required to file a tax return. I have attached an **IRS Verification of Non-Filing Statement**. Note: Dependent students that did not file a tax return are not required to obtain a Non-Filing Statement from the IRS; however, parents and independent students must obtain one. Visit www.irs.gov, click "Get Your Tax Record", click "Get Transcript Online". Enter the non-filer's SSNO, choose "Verification of Non-Filing Letter", and in the tax year field, select "2020".

Non-filers only: List all sources of 2020 income (i.e. employer, interest income, etc.) and amounts received in the 2020 calendar year. Please provide W2's for any income listed below.
