EXPLANATION OF ACADEMIC REGALIA

The first year in the academic life of Saint Joseph's College opened with a ceremony, the Mass of the Holy Spirit, and closed with a ceremony, a commencement exercise. In the years since, the academic year at Saint Joseph's has continued to open with a solemn Mass of the Holy Spirit and to close with a formal commencement. Thus firmly rooted in the history of Saint Joseph's, the ceremony in which you share today is part of a still older historical tradition, that of the medieval university, where as early as the 13th century, the awarding of academic degrees was attended with great ceremony and solemnity.

Today's academic procession replicates the march through the streets of Paris (or one of the other great university centers of the time) of the doctors and masters of the university, their somber gowns, brightened by the colored ornamentation of their hoods, testifying to their status as members of a corporate body, free of feudal controls, which alone possessed the right to fix the standards for academic degrees and licenses. Their gowns and hoods, practical garments designed to ward off the chill of unheated lecture halls and libraries and to provide adequate space to shelter books and manuscripts, provide the models for the gowns worn on ceremonial occasions by the professors and students of today.

The cut of the gown indicates the level of the degree. The bachelor's gown, always black in color, is cut simply, with long, pointed sleeves, and is worn closed. The traditional master's gown resembles the bachelor's except for the cut of the sleeves; these are quite long and cut above the elbow so that the lower part of the sleeve, closed at the bottom, hangs behind the wearer's arm or coat sleeve. Much more elaborate is the doctor's gown, embellished with velvet panels down the front and around the neck and with three velvet chevrons on each of its bell-shaped sleeves. The master's and doctor's gowns may be worn open or closed.

Hoods also vary in cut according to the degree represented; the bachelor's again being the most simple and doctor's the most elaborate. The hood is lined with silk in the colors of the university that granted the wearer's highest degree, and the color of the bordering velvet indicates the field of study to which the degree pertains.

ALMA MATER

*Saint Joseph's hail! In song we praise our mother dear and fair.
In life's grim battle, we'll march on with Faith and strength to dare.
For valiant deeds make stout our hearts to prove your heirs are true.
So come rejoice and with one voice pledge loyal love to you.*

*Saint Joseph's hail! Our blood runs proud to hold tradition's fame.
For words of gold on history's scroll shed glory on your name.
To honor God, to love God's world, your champions for each fray.
Against the sky our colors fly, deep crimson folds and gray.*

Music: F. Edward Bigham '43 | Words: Robert F. McKeon, S.J.
